He said that in the past, Lane County, Eugene, and Springfield, have donated roughly $18,000/year each for staffing, etc. of the PSCC. Vice Chair Trapp reported that the City of Springfield had ceased their PSCC donation a few years ago; he also said that the JAG grant that the County uses to pay their share into the PSCC on hold this year, and he was wondering if the PSCC itself had any ideas as per future funding.

Mr. Dumire asked if Lane County needed to find $18,000 or $36,000.

Vice Chair Trapp said it would be $18,000 the County would need to come up with since the JAG grant was not awarded. He said possibilities were considering an additional allocation of Grant-in-Aid or Justice Reinvestment Grant Program funds or all departments represented on the PSCC sharing funding of PSCC.

Lane County Board of Commissioners
Mr. Boziewich announced the CJC Justice Reinvestment Grant Review Committee met recently; he wanted those present to know that the implementation of the JRGP funds were under very close scrutiny from the Legislators on that Committee. She said Lane County sends a large group of Aid and Assist clients to the State Hospital exceeding the County’s bed allocation with 25 sent the week prior to the PSCC meeting and 22 the week of. Carla Ayres, Manager, Lane County Behavioral Health led a discussion at the Mental Health Summit about this problem and a list of possible solutions was generated. The group also discussed the lack of housing options for this population.

Mr. Homan commended Ms. Nichols for her work. He expressed frustration at the State Hospital for pushing back on counties.

Ms. Perlow clarified that the 19 beds were allocated based on the population of Lane County, and not the population affected by severe and persistent mental illness; she said she did not agree with the way the State made that determination.

Mayor Vinis announced it was a goal of hers was to create a new Shelter Care Shangri-La program in the Shankle facility to serve this population like the Royal Ave. facility.

Mr. Buckwald, Mr. Crapser, and Mr. Hardy offered the PSCC a report and PowerPoint presentation on RLAN.

Chair Solomon asked if the beds in question had been used for Federal offenders, and if RLAN was a way to get more local offenders in those beds.

Mr. Hardy said that was correct.

Mr. Rikhoff wondered how a Parole Officer would be assigned with RLAN.

Mr. Dumire replied that the assignments would be distributed across available Parole Officers.

Judge Vogt asked if an offender would have to have a post-prison supervision term to take advantage of this program.

Mr. Solomon said that was correct. He said that this program is saving funding for the State Department of Corrections.

VII. Grant Update
Ms. Sowards offered the PSCC a grant application status update.

Mayor Vinis asked which agency would be using the funds generated by the HUD Youth Homelessness Demonstration Project.

1] I was a police officer for 14 years, 7 in the Lane County S/O
   I have a B.S. Degree in Criminal Justice Administration
   I attained Executive level certification with BPSST while with the S/O

2] I would like to re-join the PSCC because I believe the work is vital to creating and maintaining a criminal justice “system”. Resources from the various funding sources (federal, State & local) need to balance capacity with each other in order to make the best use of the funds available.

3] Great strides have been made by Lane County Government to structurally balance their budget and other agencies included in the PSCC are beginning to emerge from many years of declining revenue. I would like to be a part of new and renewed efforts to improve our Justice System by injecting local history into new and innovative efforts.

4] I currently serve on:
   The Lane County Budget Committee for 15 years, currently chair.
   The Lane County Performance Committee for 3 years and participated in the Temporary Audit Committee to assist in development of the performance audit function here.

   I have served on:
   I chaired the Lane County Juvenile Justice Center task force which was responsible for initial design of the campus after the 39 million dollar bond measure passed.
   The Pleasant Hill School Board for 12 years
   Eugene Rotary’s representative on various Eugene/Springfield gang prevention efforts
   I volunteer with the Goodwill Prosperity Program which provides free financial planning for folks in poverty
   The PSCC from its inception for about 6 years.

5] Based on the above experience, I have become very aware of the variety of opinions and experiences others have had with public safety and government in general. I seek out those opinions, and make every effort to see that as many positions on an issue are considered before selecting an outcome. Even then if new information comes to light I am not opposed to modifying a decision based on valid concerns that are shared by the group.
