

November 15, 2004  
Agenda item #7

Lane Economic Committee  
2005 Workplan

Action item: Approve workplan

In addition to our role as a coordinator of regional economic development activities, the LEC will have the following specific tasks on its 2005 agenda:

- Coordinate State Needs & Issues process
- Provide review and comment to Lane County regarding potential video lottery allocation projects
- Provide oversight to LCOG's business loan programs
- Analyze and provide feedback to Lane County regarding the economic impact of State Transportation Improvement Project (STIP) priorities
- Continue ongoing project to create profiles of various economic development organizations
- Participate in update to Benton Lane Lincoln Linn (BL3) Comprehensive Economic Development Strategy
- Analyze and provide feedback to LCOG regarding the economic impact of various 2050 program strategies
