**TO:** Metropolitan Policy Committee  
**FROM:** Savannah Crawford, ODOT Sr. Region Planner  
**SUBJECT:** Agenda Item 5.d – Report from the Lane Area Commission on Transportation

**Action Recommended:** None. Informational Only.

### **Background**

In November 2010 the Oregon Transportation Commission (OTC) approved bylaws for the Lane Area Commission on Transportation (LaneACT) to advise the OTC on key transportation issues and to serve the Lane County region.

The LaneACT is comprised of 29-31 members:

- 1 Lane County commissioner
- 12 incorporated cities (one from each city)
- 1 Tribal Council
- 1 Port of Siuslaw
- 1 Lane Transit District
- 1 ODOT Area Manager
- 1 Central Lane Metropolitan Planning Organization
- 1 Lane County Roads Advisory Committee
- 1 Metropolitan Planning Organization Citizen Advisory Committee
- 1 Highway 126E
- 4 Designated Stakeholders (1 each representing freight, rail, bike/pedestrian, environmental land use)
- 4 - 6 Other Stakeholders

The LaneACT's first meeting was held in February 2011 and has since met regularly to discuss ACT responsibilities and transportation issues. The LaneACT meets the second Wednesday of every month from 5:30-7:30p at the ODOT offices in Springfield. Further information can be found on the LaneACT website [www.laneact.org](http://www.laneact.org).

### **Discussion**

Over the past year, the LaneACT has achieved key milestones as outlined in their adopted 2011 Work Plan. These key milestones include, but are not limited to:

- Completed Stakeholder Recruitment
- Adopted Public Participation Plan
- Developed Public Outreach Flier
- Adopted 2011 Work Plan

- Held First Public Open House on the 2012-2015 Statewide Transportation Improvement Program (STIP)
- Reviewed and Commented on 2012-2015 STIP
- Discussed the OTC 2012-2013 Work Plan
- Reviewed and Commented on ODOT Transportation Plans and Policies

At the February MPC meeting, a LaneACT representative will provide an update on the LaneACT.

**Recommendation**

None. Discussion only.
