Subject: Item 5.e: Metropolitan Transportation Improvement Program
Administrative Amendments

Action Recommended: Review and provide feedback to staff.

Issue Statement

This agenda item provides for a review of the current process for administrative amendments to the MPO's Metropolitan Transportation Improvement Program (MTIP).

Background

At the February 10, 2011 MPC Meeting, Councilor Zelenka raised questions regarding the process and guidelines for administratively amending the MTIP. Since the language in the MTIP governing administrative amendments was last updated in 2007, this agenda item serves to inform the MPC of the current adopted process and guidelines, and allows for discussion and direction to staff on this topic.

Attachment 1 includes the full language from the adopted MTIP regarding administrative amendments. At the March 10th MPC meeting, staff will present background on the history of the administrative amendment process.

Recommendation

Review and provide feedback to staff.
