Issue Statement

This agenda item is primarily to provide an opportunity for a second public hearing on the draft FY12-15 Metropolitan Transportation Improvement Program (MTIP) for the Central Lane MPO. At the MPC meeting on January 12, 2012, the FY12-15 MTIP will be presented for adoption.

Background

At the November, 2011 MPC meeting, staff presented the draft FY12-15 MTIP. MPC held the first public hearing on the draft MTIP, at which one person testified. MPC directed staff to provide an opportunity for a second public hearing at the December, 2011 MPC meeting.

Discussion

A public comment period on the draft MTIP is currently open through January 9, 2012. As of the date of this memo, aside from the single person offering testimony at the first public hearing, no other public comment has been received.

CAC Involvement

The CAC received the draft MTIP in their November meeting packet, with discussion and possible action on a recommendation by the CAC scheduled for their December meeting.

TPC Recommendation

The MPO's staff Transportation Planning Committee is scheduled to develop a recommendation regarding approval of the draft MTIP at their December meeting.
