To: Citizen Advisory Committee

From: Andrea Riner

Subject: Item 6: Lane County Area Commission on Transportation

Action Recommended: Recommend MPO CAC Representative and Alternate to serve on the Lane County Area Commission on Transportation.

Issue Statement

The current draft bylaws for an ACT in Lane County call for a representative from the MPO Citizen's Advisory Committee. The purpose of this agenda item is to recommend a CAC representative and an alternate for subsequent approval of the MPC. The item will likely not go to the MPC until final ACT bylaws have been approved, and is contingent on the bylaws remaining largely unchanged from the current draft.

Background

Dave Jacobson has served as the MPO CAC Representative on the Forum to Create an ACT for Lane County, and Eleanor Mulder has participated as an alternate. Dave also served on the Forum Subcommittee that met in between full Forum meetings to work out details for the draft bylaws.

Recommendation

Develop a recommendation to forward to MPC for an MPO CAC Representative and Alternate to serve on the Lane County Area Commission on Transportation.
