

Stops and Presenters
MPO CAC
August 18, 2011 Field Trip
Draft July 20, 2011
(Final to be handed out on field trip.)

5:30 PM Meet at LTD Next Stop at LTD Downtown Eugene Station

- Pick up box lunches
- Receive briefing on pull off/drive-by stops
- Board LTD bus

Stop 1. South Willamette Street (24th – 32nd Avenues)

- Highlight opportunity to transform the street with the TGM grant (possible road diet, improved pedestrian comfort, addition of bike lanes)

Presenters: Kurt Yeiter, Senior Transportation Planner, City of Eugene

Stop 2. Alder/13th Bicycle Boulevard/New LTD University Station

- Back-in angled parking, new concepts, LTD station at UO

Presenters: Eugene and LTD staff

Pull-off/Drive-by (if no room to pull off) in Glenwood (near the I-5 Bridge)

- View Glenwood riverfront path, South Bank viaduct, I-5 bridge construction, look downriver towards Springfield bridges to get a sense of connectivity

Presenter: David Reesor

Stop 3. Springfield Downtown

- High level presentation of the Crandall plan in the vicinity of the 'plaza' site, discussion of 2-way Main Street, etc.

- Rest stop

Presenter(s): John Tamulonis, Tom Boyatt

Stop 4. MLK Roundabout

- View RRFBs (responded to public comment, including from the CAC); other learnings as experience with the roundabout builds; future roundabout locations being considered

Presenters: Brian Barnett or Richard Perry

Pull-off/Drive-by (if no room to pull off) on Harlow (near Guy Lee Elementary School)

- View new HAWK signals and RRFBs on Gateway/International EmX route

Presenter: David Reesor

8:30 PM End at LTD Downtown Eugene Station
