

March 9, 2010

To: MPO Citizen Advisory Committee
From: Paul Thompson
Subject: Item 4: STP-U FY2011-2013 Proposals

Action Recommended: Review project proposals. Make recommendations to Metropolitan Policy Committee regarding funding for the proposals.

The attached March 3, 2010 staff memo and attachments to that memo prepared for the March 11, 2010 MPC meeting provide current detailed information on the Transportation Planning Committee's (TPC) draft federal fiscal years (FFY) 2011-2013 Surface Transportation Program – Urban (STP-U) funding proposal.

On March 11, the MPC will hold a public hearing on the draft funding proposal. A public comment period is also open on the proposal through April 5. At the March 18 CAC meeting, staff will present an oral update of any public comments received to date, as well as a report on the MPC discussion and feedback from the Policy Board members.

Staff is requesting that the CAC consider the draft funding proposal and make recommendations to the MPC for FFY2011-2013 STP-U funding priorities. MPC is scheduled to take final action on the funding at their April meeting.
