

MPC 6.e.6
 Administrative MTIP Amendments
 Approved by Transportation Planning Committee
 June 19, 2019
 July 17, 2019
 August 21, 2019

June 19, 2019 - I. Location Change (21396; Springfield) requested 5/7/19

Safe Routes to School crossing improvements: Design and construction of crossing improvements at 21st St at H St and G St crossing at Two Rivers - Dos Rios Elementary School. \$125,000 STBG (PE, 2020) (CN, 2021).

The proposed amendment would move the installation locations from 21st Street at H Street and from the G Street crossing at Dos Rios Elementary to another previously identified priority location on Jasper Road at Dondea Street, providing safe crossing to and from Douglas Gardens Elementary. Two-week public comment period was concluded 5/31/19. No comments were received.

June 19, 2019 - II. STIP Rebalance (19692, 19773, 19914, 20144, 20165, 20206, 20216, 20244, 20294, 20433, 20504, 21192, 21261, 21376, 21394; ODOT, Eugene, Lane County, Coburg, Springfield) requested 6/11/19

ODOT rebalanced their STIP to fund projects at the appropriate levels due to market changes in the economy, good business decisions and/or just missing the scope and estimates for projects.

See attached table titled “Agenda D1 – STIP Rebalance Amendment 6/11/2019” for a summary of the project-specific details of this amendment.

Correction to the table: 19914 Lane County Prairie Rd/E Enid Rd, difference is \$297,776 to be added to CN instead of \$293,403 as shown.

Correction to the table: 20165 Eugene 13th Ave: Lincoln St to Alder St, the funds from the canceled RW and UR phases are being added to CN.

June 19, 2019 - III. Add Project (21508; LTD) requested 6/17/19 via ODOT

Stages of Change Campaign Pilot

This pilot will produce real-world examples of segmenting approaches, targeted messages, and evaluation techniques that can be adapted by Transportation Options providers throughout the state.

- Total Current Est. \$41,056 (ODOT advance construction, incl. 10.27% local match)
