22303 – LTD

Electric bus replacement – Lane Transit District

Description: Replacement of vehicles that have met their useful life (funds are FTA 5339).

Funding: \$5,646,930 (FTA 5339)

Amendment: revise project description to read “Funding for the replacement of vehicles that have met their useful life, related equipment and to construct bus-related facilities (Charging infrastructure). (Funds are FTA 5339).”

Note: while the scope of the project is not changing, the existing MTIP project description does not accurately portray the project scope.
