- It is a legally separate entity.
- It is fiscally independent of all member organizations and all other local government entities.
- It is vested with all the powers, rights, and duties relating to those functions and activities that are vested by law in each separate party to the intergovernmental agreement.

LCOG is located in Lane County, Oregon, the fourth most populous county in Oregon. LCOG's region is the entire Lane County area. Lane County's population is 374,748. The size of Lane County is approximately 4,554 square miles.

# INTRODUCTORY SECTION

# Budget Message from the Executive Director FY19 Revised Budget

March 2019

Members of the LCOG Budget Committee and Board of Directors:

I am pleased to present LCOG's proposed FY19 *Revised Budget* for the LCOG Budget Committee and Board of Director's consideration. This *Revised Budget* is a recommended amendment to the budget that was originally adopted by the Board of Directors in June 2018. LCOG develops a *Revised Budget* each fiscal year to adjust to changes which have occurred during the first eight months of the year.

#### BACKGROUND

Our *Revised Budget* is meant to clearly present changes to show changes to revenues, expenses, and FTE in each fund for the balance of the fiscal year. We have included a detailed explanation for every change in the Financial Section of the proposed *Revised Budget* document.

This fiscal year LCOG is experiencing continued stabilization of its budget, reflecting the smart, and sometimes difficult, decisions made in recent years. As part of LCOG's commitment to the region, LCOG is continuing to evaluate how to keep costs low while continuing to ensure that our programs and activities are effective and efficient in providing excellent public services to the people of our region.

#### HIGHLIGHTS OF THE REVISIONS TO THE FY19 ADOPTED BUDGET

This proposed *Revised Budget* captures changes in the revenue and expenditure picture of LCOG since the adoption of the FY19 *Adopted Budget*, which is project and contract based. LCOG's budget is normally quite dynamic, so management must adjust staff assignments and work throughout the year as contractual relationships end and new ones are established.

LCOG operates out of three reporting fund types: (1) General Fund; (2) Special Revenue Fund; and (3) Enterprise Fund. The General Fund serves as the primary reporting fund for current operating functions and consists of three managerial funds. The Special Revenue Fund serves as the primary reporting fund for LCOG's two divisions: Government Services and Senior and Disability Services, and has 64 individual managerial funds. The Enterprise Fund accounts for operations that are financed and operated in a manner similar to private business enterprises – where the intent is for the costs of providing goods or services to be financed or recovered primarily through user charges. The direct service areas accounted for in the enterprise fund are: Business Loan Program, Economic Development, Building Management, and Minutes Recorder.

This is a summary of the key changes in the proposed FY19 Revised Budget:

Federal and REVENUES State			Local	Member Dues	,	Transfers In	Beginning ınd Balance	Total Budget
FY19 Revised	\$	23,763,336	\$ 7,294,564	\$ 232,278	\$	4,677,311	\$ 9,498,825	\$ 45,466,314
FY19 Adopted	\$	23,761,174	\$ 7,386,125	\$ 214,700	\$	3,988,956	\$ 8,236,836	\$ 43,587,791
Dollar Change	\$	2,162	\$ (91,561)	\$ 17,578	\$	688,355	\$ 1,261,989	\$ 1,878,523
Percent Change		0.0%	-1.2%	8.2%		17.3%	15.3%	4.3%

#### **Resources – Revenues**

LCOG's proposed Revised Budget reflects an increase of \$1,878,523 – from \$43,587,791 net Adopted Budget to a net \$45,466,314 proposed Revised Budget. This is a 4.3% increase over the Adopted Budget and represents an expected and reasonable change.

As shown on page 6, All Funds Schedule of Budgeted Resources and Requirements table, Federal and State revenues were increased by a net \$2,162 as the net result of decreased funding and contracts awarded for Government Services (\$190,580); and a net increase in Senior and Disability Services of \$192,742, primarily due to increased OAA funding. Local revenue (minus Member Dues) is decreased by a net (\$91,561), with a majority of the decrease due to reduced Telecom revenue in Government Services; however, with increased revenues in Senior and Disability Services primarily due to fundraising and Enterprise Funds primarily due to increased revenue in Minutes Recording and leases in the Park Place Building Fund.

Transfers In are increased a net \$688,355, with the majority of that increase due to transfer from the Tel Ops Fund to the Tel Project Fund to complete the Telecom System Replacement project. Transfers In also includes a transfer from the Enterprise Fund to the General Fund and transfers in Senior and Disability Services to correct formulas funding and maximize match.

The beginning Reserve revenues are increased by a net \$1,261,989, to reflect actuals being greater than what we projected the beginning balance would be in the FY19 adopted budget due primarily to not spending funds in FY17 for the Telecom System Replacement project.

The General Fund share of the total budget revenue change is a net \$124,114 overall increase from the Adopted Budget. This is an expected and reasonable change and is primarily due to higher than expected Member Dues and a transfer from the Minutes Recording Program of higher than anticipated revenues.

FY19 Adopted	\$ 21,087,974	\$ 6,755,536	\$	282,267	\$	2,898,817	\$	484,326	\$	3,988,956	\$ 8,089,915	\$	43,587,791

Percent Change	-0.6%	7.5%		121.5%		-1.5%		12.4%		17.3%	5.6%		4.3%						

#### **Requirements** – **Expenditures**

The proposed Revised Budget reflects a net increase of \$1,878,523 in expenditures, and matches the increase in revenues.

As shown on page 6, All Funds Schedule of Budgeted Resources and Requirements table, operating expenditures were increased as follows:

Personal Services were decreased by a net of \$131,425; Government Services was decreased by a net of (\$224,293). This is primarily a reflection of moving staff from General Planning to contracts and a reduction of leave time. Senior and Disability Services was increased a net of \$166,096, due to an unanticipated grant and charging staff time to other funds in order to spend down state allocations. Personnel Services costs in the Enterprise Fund decreased by a minor amount, to balance to actual expenditures.

Materials and Services was increased by a net of \$509,829, consisting in part of a net increase of \$91,510 in the General Fund for LCOG's share of the GISCPA and hiring a consultant for network architect work associated with the Telecom System Replacement project; a net decrease in Government Services of (\$216,476) see details beginning on page ; and a net increase in Senior and Disability Services of \$77,032 due primarily to Senior Meals costs.

Capital Outlay was increased in Government Services by \$347,233 due to the Telecom System Replacement project costs; Senior and Disability Services was decreased by a minor amount.

Services by Other Organizations declined mainly in the Enterprise Fund, due to fewer new loans in the Business Loan Program. Senior and Disability Services also decreased, primarily due to a reduction in needed services.

Debt Service was increased, to correct a USDA payment that crossed Fiscal Years.

Transfers Out are detailed in the table on page 35. This shows the aggregate transfers, not the changes between the *Adopted* and *Revised* budgets. Transfers Out are increased a net \$688,355, with the majority of that increase due to transfer from the Tel Ops Fund to the Tel Project Fund to complete the Telecom System Replacement project; and also includes a transfer from the Enterprise Fund to the General Fund and transfers in Senior and Disability Services to correct formulas funding and maximize match.

## **Ending Fund Balance/Contingencies and Reserves**

As shown on page 6, All Funds Schedule of Budgeted Resources and Requirements table, the Ending Reserves amount of \$8,089,915 reflects a net increase of \$452,826.

Ending Reserves were adjusted only marginally in the General Fund. Most of the change occurred in Government Services, \$838,489, for the Telecom System Replacement project. Senior and Disability Services had a significant net increase of \$1,100,725, due to unanticipated increases in funding in Type B funding. Enterprise Funds increased 157,485; this was expected, typically when the volume or new business loans slows, reserves increase. The Park Place Building Ending Fund Balance increased 116,557 due to higher than anticipated lease revenues.

# CONCLUSION

I believe the Lane Council of Governments continues to be a valuable resource for its members and the communities of Lane County. LCOG continues to focus efforts to run the organization efficiently, to provide high-

value service, and continue to be a valuable resource to its members and the communities we serve. We are in a healthy financial condition and are able to strategically plan for the future of the organization.

A special word of thanks to the LCOG Board, our members, and the Budget Committee for their tremendous support and direction throughout the year. I am also grateful for our dedicated staff who work hard and always provide high-quality services to the region. LCOG continues to operate with a clear plan of maintaining fiscal strength and stability. This *Revised Budget* will enable LCOG to continue to meet the continuous challenges that greet us every day.

Respectfully submitted,

Brendalee S. Wilson Executive Director

## S U P P L E M E N T A L S E C T I O N

## **BUDGET NOTES AND DEFINITIONS** For the Fiscal Year Ending June 30, 2019

# LCOG operates out of three reporting fund types: (1) General Fund; (2) Special Revenue Fund and (3) Enterprise Fund.

## **General Fund**

The General Fund serves as the primary reporting vehicle for current operating functions. The General Fund, by definition, accounts for all current financial resources not required by law or administrative action to be accounted for in another fund. The General Fund accounts for the general cost of the organization doing business which cannot be paid for by other, more restrictive, funding sources. The LCOG General Fund accounts for central service operations of LCOG including General Administration, Human Resources, Fiscal Services, Information Technology, and Special Projects.

The General Fund has three managerial subfunds: LCOG Board, Indirect, and Member Support Services. LCOG Board accounts for the activities for the Board of Directors and Executive Management of LCOG. The Indirect subfund is similar to an internal service fund where the costs of the expenditures are recovered through direct charging the benefiting funds. Charges supporting the expenditure recovery are based on a federally approved Indirect Cost Allocation Plan. Member Support Services subfund tracks the services and costs we provide member agencies as part of the member's free support hours. Funding for Member Support Services comes from a transfer from the LCOG Operating Fund (provided by member dues revenue).

### **Special Revenue Fund**

The Special Revenue Fund has 50 managerial funds. Special Revenue funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The term "proceeds of specific revenue sources" establishes that one or more specific restricted or committed revenues should be the foundation for a special revenue fund. For LCOG these funds account for revenues from specific sources that include federal grants, state grants, and various local grants and contracts revenue. The direct service areas that are accounted for in the special revenue funds are: Government Services and Senior and Disability Services.

## **Enterprise Fund**

Enterprise funds account for operations that are financed and operated in a manner similar to private business enterprises – where the intent is for the costs of providing goods or services to be financed or recovered primarily through user charges. LCOG's Enterprise Fund consists of 11 managerial funds. The direct service areas accounted for in the enterprise fund are: Business Loan Program; Building Management; Economic Development, and Minutes Recorder.

The Business Loan program area has eight managerial funds: Business Services Administration and seven Business Loans program funds.

The Economic Development managerial fund is devoted to Economic Development services.

The Building Management program has one enterprise managerial fund that tracks the activity of the building owned by LCOG – Park Place Building - and includes oversight and management of the building. LCOG also occupies space in the Park Place Building and pays an occupancy fee. Park Place Building also includes leased space.

Lastly, LCOG's Minutes Recorder managerial fund is funded by charges for services.

## **BUDGET NOTES AND DEFINITIONS, Continued**

## **BUDGET NOTES AND DEFINITIONS, Continued**

<u>Support Services</u>: Indirect charges/costs are costs that cannot be charged as direct costs to a program. LCOG prepares an annual Indirect Cost Allocation Plan and submits the proposal to the federal cognizant agency (ODOT) for approval. The Plan provides for direct programs and services to share in the general non-direct operating expenses for LCOG. Indirect charges pay for Administrative Services expenses. Additional information about Indirect Cost Allocation Plan can be found in the Supplemental Section of this document.

<u>Materials and Services</u>: Materials and Services include a wide variety of expenses ranging from office supplies to telephones to travel.

<u>Capital Outlay</u>: Costs for purchases that are tangible in nature are recorded initially as capital outlay. A capital purchase is the acquisition of a tangible item that has a useful life of greater than one year and a value greater than \$5,000. These items are placed on LCOG's inventory and treated as assets on the balance sheet.

<u>Services by Other Organizations:</u> Services by Other Organizations accounts for monies that LCOG receives and then passes through to other organizations that provide a specified service (Government Services and Senior & Disability Services) or business loans made (Loans Program).

<u>Debt Service:</u> Payments for principal and interest to amortize loans. Currently loans are the existing building program loan (Park Place Building).

<u>Transfers Out:</u> Transfers describe the process of internally moving resources from one LCOG division or program to another. Transfers are displayed as a resource for the program receiving the resources and as a requirement for the program providing the resources.

<u>Ending Reserves-Designated:</u> Resources that will be carried forward into the next fiscal year that can only be used for a specific contract or purpose.
