Policy Board Duties**

Date: February 22, 2024

Action Recommended: None. Information Only.

Background: In October 2002, the LCOG Board, through Resolution 2002-08, delegated responsibilities associated with the Metropolitan Planning Organization (MPO) process to the Metropolitan Policy Committee (MPC). As part of that resolution, the Board included a provision that:

“ . . . the Metropolitan Policy Committee shall provide a report to the Board of Directors at least annually on performance of its Metropolitan Planning Organization duties, including the results of any federal certification review; . . . ”

LCOG staff Paul Thompson will provide the LCOG Board with a review of MPO activities from January through December 2023. His presentation will include the topics summarized in the attached memos (the first covering the MPC activities, the second providing more detail on the day-to-day work of the MPO), as well as an overview of the non-MPO work of the LCOG Transportation Program, summarized in the third attachment. Finally, during the Board meeting he will provide a preview of activities planned during 2024.
