

MTIP Amendments
Transportation Planning Committee – Central Lane MPO
January 18, 2022

22385 – Springfield

S. 32nd St at Virginia Ave (Springfield)

Description: Design and construct a flashing light crossing with a pedestrian refuge island on the southern leg of the intersection; add curb extensions on Virginia Ave

Funding: \$350,000.00 (Urban STBG)

Amendment: Replace Federal funds with State funds through the State Funded Local Program (SFLP) per executed Local Agency Agreement; move all funds to construction phase and advance construction phase from 2023 to 2022.

Note: Moving the funds to construction and advancing construction to the earliest phase year, simply allows for efficient one-time obligation of all project funds.
