

March 22, 2024

To: Metropolitan Policy Committee

From: Kelly Clarke, Principal Transportation Planner, Central Lane MPO/LCOG

Subject: MPC 6.d: Regional Transportation Plan (RTP) Update

Action Recommended: Information only

Background

Technical work on the update of the Central Lane MPO's long-range Regional Transportation Plan (RTP) and Congestion Management Process (CMP) is underway, as is work to procure services to assist with public outreach and to conduct a travel barriers and benefits survey.

This MPC agenda item will include a meeting presentation on the current and forthcoming work. As background, and to provide in-depth information for those interested, attached is Tech Memo 1 provided to the RTP-CMP Technical Advisory Committee.

Requested Actions

- Information only
