PSCC March 17, 2022 Agenda Item Summaries

VI.A Budget Committee

Lane County Parole and Probation received data on the Community Corrections Act (CCA) population which is utilized by the Department of Corrections (DOC) to determine Lane County's percentage share of Grant-in-Aid funding. The Oregon Criminal Justice Commission uses this same percentage for determining county share of Justice Reinvestment Act funds.

The packet includes Lane County's and its comparator counties data reports from 2017 through October 2021. Please remember there is an approximately four (4) month delay in DOC data.

VI.F.2 Letter of Interest Request for Diversity, Equity, Inclusion and Belonging (DEIB) Training and Facilitation

PSCC tasked the Workplan Workgroup (WPWG) with developing a process and related documents for retaining support in its DEIB efforts. At its February 24, 2022 meeting the WPWG reviewed a draft Request for Proposals (RFP) and applied Lane County's Equity Lens to the process and product (RFP). In working through the equity lens, discussion often shifted to the PSCC rather than the specific Request for Proposal which highlighted the importance of having the RFP process align with PSCC goals and purpose. Another emergent understanding was the expectation that DEIB efforts would be iterative and are an ongoing need.

Based on discussion, the WPWG decided to first issue a letter of intent/interest (LOI) request which will include a question asking interested parties to identify barriers they have experienced in responding to similar requests and obtaining similar work. The WPWG will use any data generated from this process to determine the best RFP design and if the distribution networks for the opportunity (LOI and RFP) are sufficient for an equitable process and to retain the highest level of services to meet PSCC needs. The draft request for letter of intent/interest and equity lens worksheet is included in the packet for review and comment.

VII 416 Program Evaluation Findings

Dr. Mike McCart from Oregon Social Learning Center will present findings on the 416 diversion program which serves individuals with a history of non-violent, repeat felony property crime and substance use and demonstrate motivation to change their behavior. A randomized controlled trial (RCT) was conducted on this front-end diversion program named after Senate Bill 416 which seeks to create alternatives to prison for individuals who are committing property crimes, at least in part, to support their substance use.

PUBLIC SAFETY COORDINATING COUNCIL MINUTES

January 20, 2022 3:00 p.m. Virtual via Zoom

PRESENT: Paul Solomon, Chair; Donovan Dumire, Tom English, Star Felty, Pauline Gichohi, Patty Perlow, Erin Reynolds, Sheriff Cliff Harrold, Denis Hijmans, Sarah Stewart, Lucy Vinis, Judge Jay McAlpin, Bob Holman for Brook Reinhard, Jason Moore for Chief Skinner, voting members. Greg Rikhoff for Steve Mokrohisky, Lieutenant Hank Duren, OSP nonvoting members. Denise Walters, LCOG Staff; Miles Mabray, Center for Dialogue and Resolution; Liz Rambo, Carl Wilkerson, Greg Rice, guests.

ABSENT: Jay Bozievich, Vice Chair; Dan Buckwald, Chief Andrew Shearer, Jocelyn Warren, voting members; Jason Jones, non-voting members.

I. Call to Order/Welcome/Introductions

Chair Solomon called the Public Safety Coordinating Council (PSCC) meeting to order at 3:00 p.m. Everyone present introduced themselves.

II. Public Comment

None.

III. Minutes November 18, 2021

Sheriff Cliff Harrold motioned to approve as submitted and was seconded by Donovan Dumire.

IV. Intra-System Communication

Lane County Sheriff's Office shared law enforcement, talent recruitment and retention issues continue. Sheriff Harrold shared from his discussions with communities across the county is that there is a declining perception of feeling safe.

Judge McAlpin reflected on the number of new hires who have only experienced work during the pandemic and noted overall the current bench is young/early in tenure. He is planning for some services/functions to continue in a hybrid manner and preparing for return to fuller offering of in person functions.

Kids First reported to date they have served 8% more youth than last year. It is not clear if this is the result of increasing need, increased space with which to serve people or a combination of factors. SASS has resumed provision of Emergency Room (ER) services and is averaging one ER call/case per day. The Hope and Safety Alliance (formerly WomenSpace) will celebrate its 45th anniversary in May.

Parole and Probation is in their new office and noted morale of staff and clients seems higher given the space/design and how it facilitates more trauma informed services.

V. Committee Reports

A. Budget Committee

Chair Solomon said that the Budget Committee had not met since the last PSCC meeting.

- B. Behavioral Health & Criminal Justice Workgroup
 - 1. Behavioral Health Summit

Ms. Gichohi said that they met earlier that morning and checked in with their progress on the crisis center. The group was committed to the work and supportive of the project. They were looking at potential sites for the crisis center.

Ms. Walters asked Ms. Gichohi to share her perspective on what was talked about at the statewide Behavioral Health Summit. Ms. Gichohi said they talked about the systems that were in place and their impacts on behavioral health and criminal justice. She thought that conversation was very impactful and everyone present at the summit were dedicated to improving the systems. Ms. Gichohi thought there were a lot of assumptions made about the behavioral health system. There seemed to be some misinformation. There were struggles in the system but overall, she believes that it works for many people.

C. Juvenile Committee

Ms. Felty said that the Juvenile Committee met on December 14, 2021, with about half the people present. They talked about family violence, the increase in runaways, and increase in dependency needs. They discussed the differences in how they treated high-risk and high-need kids.

Ms. Felty shared she gave an update on their racial and ethnic disparities work. They had received State funding to work on building a system to have the necessary conversations. The request for proposal (RFP) was out and they would move forward with that soon. They wanted to have a sub-Committee to oversee their work as well.

D. Reentry Task Force

Chair Solomon said that partnership with Homes for Good was moving forward on a permanent supportive housing project called The Coleman. They were moving forward with getting funding to break ground on the site which they received from the County by the end of 2022. The project would have 52 units with ground level services (including case management and behavioral supports). The project had been submitted for HOME funds and would be reviewed the following week. Labor costs had gone up and were presenting some funding issues.

VI. Restorative Justice

Miles Mabray, executive director at the Center for Dialogue & Resolution (CDR) discussed HB 2204 which established a restorative justice grant program. Ms. Walters said the grant might come out before the PSCC met again, so if the group was interested in supporting CDR's work for restorative justice in Lane County they would need to authorize the chair to provide a letter of support at this meeting.

Mr. Mabray shared CDR will likely pursue the funds to build up the diversion program with the District Attorney's (DA) office. If approved by the DA office the clients contact CDR to do an intake meeting. They set up a restorative dialogue, preferably with victim in the room if possible. In the process everyone works toward an agreement on what could be done to address whatever wrong occurred. The CDR monitored the agreed upon process and provided a notice of completion.

Mr. Mabray shared that they wanted to extend the program so they could do more tracking and reporting of data, create clearer paths for addressing victim's needs, have more frequent collaboration with the system partners, and integrate part of the County's justice framework.

Mayor Vinis wished that they were already funded through on this project. There was a balance to healing from the event and protecting oneself in the future that this program would be able to help people navigate.

MOTION: Mr. English moved, seconded by Ms. Perlow, to have the Chair of the PSCC draft a letter of support for CDR's application to the Criminal Justice Commission for funding for a pilot project. The motion passed unanimously.

VII. PSCC Membership Composition

Chair Solomon said that at the next workgroup meeting they would be discussing PSCC membership composition. Part of the reason was because there had been suggestions of having a business or K-12 education member join the group.

Mr. Hijmans asked what happened to the education representative. Chair Solomon replied that they had invited a representative to start joining their meetings. Ms. Walters added that Superintendent Vandercar was invited but had been busy with 4J schoolwork and unable to attend. She said membership composition links directly to the body's diversity, equity and inclusion work.

VIII. Equity and Inclusion Training Poll

Ms. Walters the PSCC's successful Justice Reinvestment proposal included some funds for diversity, equity and inclusion training and facilitation. She asked if, since last polled, members had any updates on their individual efforts.

Mr. Rikhoff said that the County had more resources than previously. He thought a group could get together to talk about how they could present about their ideas. The Workplan Workgroup would be the best place to discuss what they wanted to put in the Request for Proposals (RFP). The Workplan Workgroup will continue the conversation and its work on the RFP.

IX. Grant Update

Ms. Walters said that the Justice Reinvestment and Community Correction Act funding proposals were successful.

X. Adjourn

Chair Solomon adjourned the meeting at 4:30p.m.

DRAFT

Request for Letters of Interest (LOI)

Purpose

Lane County's Local Public Safety Coordinating Council (PSCC) is looking for consultant(s)/contractor(s) to lead PSCC members and staff in Diversity, Equity, Inclusion and Belonging (DEIB) training and coaching as well as assist in an equity informed visioning, outcomes and goal setting process. The initial term of the Contract is anticipated to be for approximately 16 months, for the period of July 8, 2022 through December 30, 2023, with options to extend if and as additional funds are secured.

Background

Local Public Safety Coordinating Councils were established by the Oregon Legislature (Oregon Revised Statute 423.560) in 1995 by Senate Bill (SB)1145. SB 1145 established an ongoing partnership between the state and counties recognizing that counties are in the best position for management, oversight, and administration of local criminal justice matters and for determining local resource priorities.

Lane County's Local Public Safety Coordinating Council (PSCC) is an advisory body to the Lane County Board of Commissions and planning body for the adult and juvenile criminal justice systems in Lane County. Planning includes but is not limited to developing recommendations to the Lane County Board of Commissioners on programming and budget for Justice Reinvestment Grant funding and Community Corrections Act Grant-in-Aid funding.

ORS 423.560 defines PSCC responsibilities as:

- (3) The local public safety coordinating council shall, at a minimum:
 - (a) Develop and recommend to the county board of commissioners a plan for use of:
 - (A) State resources to serve the local offender population; and
 - (B) State and local resources to serve the needs of that part of the local offender population who are at least 15 years of age and less than 18 years of age, which plan must provide for coordination of community-wide services involving prevention, treatment, education, employment resources and intervention strategies; and
 - (b) Coordinate local criminal justice policy among affected criminal justice entities.

The PSCC currently has 22 members. PSCC membership includes seats defined by Statue and additional seats defined by the Lane County Board of Commissioners. Statutorily defined members include:

- Police Chief
- County Sheriff
- District Attorney
- State Court Judge
- Public Defender or Defense Attorney
- Director of Community Corrections
- County Commissioner
- Juvenile Department Director
- Health Director

- Mental Health Director
- one (1) Lay Citizen
- City Councilor or Mayor
- City Manager or Other City
 Representative
- Oregon State Police (non-voting)
- Oregon Youth Authority (non-voting)
- Community Based Victim Services
 Director

Additional members defined by Lane County: City Councilor or Mayor from Eugene or Springfield, two (2) Lay Citizens, Lane County Administrator (non-voting), Reentry Service Provider, Police Chief of Eugene or Springfield.

The PSCC utilizes committees to advance the work of the full Body and can form ad hoc committees whenever needed to address issues of concern. The following committees are currently active:

- 1. Juvenile Justice Committee (standing)
- 2. Workplan Workgroup (standing)
- 3. Budget Committee (standing)
- 4. Mental Health Summit (Behavioral Health & Criminal Justice System intersect)
- 5. Reentry Task Force

The PSCC is in a unique position to affect public safety as it is the one place representatives of the entire criminal justice (including health) gather. 2020 shone an undeniable and sustained light on the many equity, diversity, inclusion and belonging issues in the community public safety system. The COVID-19 pandemic exacerbated these and compounding issues warranting a concerted look at processes, resources, and outcomes.

In response, the PSCC established a significant work plan for the 21-23 biennium and beyond. In addition to the standard Community Corrections Act Plan and Justice Reinvestment Program elements, the current biennial work program includes the following:

- A. Vision update and establishment of Outcome Measurement Framework (including process)
- B. Community Outreach and Engagement
- C. Diversity, Equity, Inclusion & Belonging Training
- D. Hate and Bias Incident and Crime Prevention & Response
- E. 10 Year Public Safety Plan Reformat and Update
- F. System Funding Strategy

Anticipated Scope of Work

The scope for this project will likely include:

- 1) Provide in-person and/or virtual diversity, equity, and inclusion training for the PSCC, approximately 22 members and 10 staff. Training shall be designed in such a manner that is safe for all participants to engage as their full selves.
 - A. The goal for training is to establish a baseline of understanding to facilitate conversations, dismantle institutionalized barriers and create more equitable, inclusive and effective programs, practices, and policies.
 - B. Knowledge, awareness and experience with historical and current inequities and marginalization varies greatly from person to person, so a range of training and coaching options is needed.
- 2) Analyze and develop recommendations (including tools as appropriate) on how PSCC can establish and grow engagement with un/under-represented communities in planning and implementation of community safety goals.
- 3) Facilitate an equity informed visioning, outcomes, and goal setting process.
- 4) Coach members and staff on implementation of one or more recommendations emerging from component two (2) above (this could be part of component three (3)).

Baseline Skills, Knowledge and Experiences

Proposer(s) should demonstrate the following minimum skills/knowledge/experiences. **Note:** Multiple Key Persons' qualifications may be combined to meet these minimum Proposer requirements. A team approach would be supported.

- Experience developing and delivering training to policy advisory body and staff who are at different places in their DEIB journey.
- At least three (3) years of experience working to advance Diversity, Equity, Inclusion, and Belonging.
- At least three (3) years of experience working in some capacity with a government entity.

- At least three (3) years of experience working in some capacity with community based organizations.
- Experience working in some capacity with criminal justice systems or on criminal justice issues.
- Experience working in some capacity with behavioral health/wellness systems or on behavioral health/wellness issues.

- Experience delivering training and facilitating meeting both in person and via virtual formats.
- Experience with participatory planning and evaluation or similar processes.
- Background in large and small group facilitation.
- Demonstratable experience using effective and diverse communications and facilitation skills.
- Established history working with diverse and varied individuals and organizations.

- Ability to work with multiple individuals and organizations on system level issues.
- Ability to design and facilitate implementation of non-deficit processes.
- Ability to analyze issues and develop recommendations for individual as well as collective outcomes.
- Ability to identify and shift, if and as needed, group dynamics.
- Flexibility to adapt to changing situations.
- Ability to design an effective, custom meeting format.
- ❖ Knowledge of Tribal Sovereignty and Oregon cultural communities a plus.
- Understanding of cross-cultural psychology and/or cross-cultural communication is a plus.

Process

Once letters of interest have been received and reviewed, a formal Request for Proposal for these services will be issued. Our intent is to remove as many barriers as possible for any and all qualified persons, so please complete all sections of the form to the best of your ability. Should a lack of interest be identified, the process may be revised or delayed in order to obtain the best match of consultants/contractors to the needs.

Submittal

Please use the attached form in your response. You may include an additional statement of interest in your own words not to exceed two (2) pages. Responses are due to (insert name, address and email) by 5:00 p.m. PST on April X, 2022. Please note the person(s) who signs the attached form should be someone with contract signing authority for the organization or team.

	Inclusion/Representation			
Purpose & Assumptions	Who is included in this process?	Who is not included and why?	How are we intentionally engaging multiple perspectives?	How have barriers to participation been identified and addressed?
What are we trying to do? Develop equitable RFP and process Additional thoughts/ideas?	 Community Partners potentially from un/underserved communities 	communities: don't have seat on PSCC but could be included on evaluation committee.	 PSCC Members represent the full spectrum of the CJ system and include Behavioral Health members Including community partners in review process Including community members with experience and knowledge in DEIB services 	 Applying this equity lens Spell out and remember "B" is Belonging Acronyms of the system Are we using behavioral health to include substance use disorders?
What is the issue, policy, or process being examined? Is proposed work and RFP Process consistent with equity goals. Additional thoughts/ideas?		Not fully given notes in square above.	See above.	 County insurance requirements of contractors may present a barrier to certain respondents particularly those under-represented or those wanting/needing to work as independent consultants Potential Alternatives: Work with applicants on reducing amount required B) Run RFP through another entity and not make a requirement proposal Posting of RFP will be via electronic formats in English only
What assumptions are brought into the issue/policy/process? RFP is the appropriate process. Certain language is legally required. We should stipend any community partner volunteers who help review proposals. Iterative process with consultant/we are responsible for educational piece for consultant	PSCC PSCC Staff			-As part of work done under RFP consider compensation of all community volunteers

	Inclusion/Representation			
Purpose & Assumptions	Who is included in this process?	Who is not included and why?	How are we intentionally engaging multiple perspectives?	How have barriers to participation been identified and addressed?
We will be a partner with the consultant-collaborative				
Additional thoughts/ideas?				
Impact/Outcomes				
What are the outcomes we are hoping to create? Gain the knowledge and tools to provide an equitable and effective public safety system. Adult system knowledge and tools aligned with or at least not in conflict with those of the Juvenile Justice system. How do we prevent people from ever entering and going deeper into the CJ system. Establish a well community with access to all needed supports, services and opportunities. Grow non-criminal interventions. How do we effectively work someone out of the CJ system and set up for lifelong success	PSCC Staff	JJ Committee b/c doing own process.	-Consider ways to share paths and trajectories across Adult and Juvenile system learning	-difference in language between our processes might be a barrier: translation required! -JJ handles pre-disposition cases -Be aware of pieces that uniquely impact kids -more interaction high needs kids have with CJ system, the deeper the criminality that can result
Communicate and message to community how the Public Safety System actually functions and language used Additional thoughts/ideas?				
What are the potential unintended outcomes? Participants stagnate or regress in personal journey				

	Inclusion/Representation			
Purpose & Assumptions	Who is included in this process?	Who is not included and why?	How are we intentionally engaging multiple perspectives?	How have barriers to participation been identified and addressed?
Public safety system inequities continue or grow.				
Adult system efforts inappropriately disjointed from Juv Justice Committee efforts.				
Internal DEI process confused with the actual work-work should get harder/more complex.				
Could be polarizing/fracturing to the system(s)				
Additional thoughts/ideas?				
Are outcomes (intended and unintended) deficit or non-deficit/positive or adverse? Depends on process.				
Additional thoughts/ideas?				
How will adverse impact be addressed? Establish frequent and regular check-in points throughout process.				
Consultant would work with us to establish clear agreements about what will happen and how				
Agreed upon decision making process(es)				
Willing to be flexible and adaptive as adverse impact is identified.				
Conduct process debrief				

	Inclusion/Representation			
Purpose & Assumptions	Who is included in this process?	Who is not included and why?	How are we intentionally engaging multiple perspectives?	How have barriers to participation been identified and addressed?
Who is being impacted by this decision (issue, policy or process)?				
PSCC members, members' participating staff, and everyone interfacing (clients) and their families with public safety				
system. Additional thoughts/ideas?				
How might this decision increase, decrease, or ignore equity?	Deficit process yields deficit results. Non-deficit process leads to non-deficit results.			
Process/Communication	deficit results.			
How and when will the process be communicated? In print At WPWG and PSCC meetings	-Must submit LOI to submit RFP -Use LOI also as litmus for level of interest and our strategy and timelines			-If we don't receive any or many LOI's regroup and consider where, how, why we might need to reframe.
Via an RFP webinar/open meeting				
Additional thoughts/ideas?				
How will you ensure communication takes place in an inclusive, culturally sensitive and responsible manner? -Listen	-			
-Be responsive -Be intentional -Tend to impact -Go wide				

When applying an equity lens ask yourself (or your work group);

1. What are we trying to do? What is our goal? PURPOSE

2. Who will be impacted and are they being included in the process? INCLUSION

3. **How might this decision increase, decrease, or ignore equity?** OUTCOMES Consider Race, Cultural Viewpoint, Gender identity, Age, Country of Origin, Geography, Disability, Class/Socio-Economic Status, Language, the balance of power, etc.

Once you've determined what action you will take, ask yourself (or your work group);

4. How will we ensure communication takes place in an inclusive and culturally sensitive manner to those impacted? COMMUNICATION

5. **How will we know if we have accomplished our goal?** EVALUATION

PSCC Grant Update - March 17, 2022

In Progress

1. Oregon Office of Emergency Management, FY2022 State Homeland Security Grant Program – Eugene Police Department on behalf of State's Bomb Squads, Request – ~\$304,0001

This regional project provides partial funding for state-wide FBI certified bomb remediation capability. The Bomb Teams supported by this project provide state-wide coverage with potential mutual aid capabilities beyond Oregon. Oregon has four certified bomb teams also referred to as bomb squads — Eugene Police Department, Salem Police Department, Portland Police Bureau, and the Oregon State Police with three regional response squads. These teams have worked together for years developing and maintaining core capabilities. The grant, if awarded, will fill gaps in equipment and training for the State's Bomb Squads.

2. Oregon Youth Employment Program – Lane Workforce Partnership for Lane Education Service District/Connected Lane County, \$586,2601

This project address employment preparedness and career pathways for Lane County youth with a focus on BIPOC, rural, low-income, and unhoused youth. The employment and career pathway focus is on high-wage, high-demand sectors for the region, primarily manufacturing technology, construction, and tech.

3. Office of Violence Against Women – Prevent and Respond to Domestic Violence, Dating Violence, Sexual Assault, Stalking and Sex Trafficking Against Children and Youth, \$TBD¹

This project will provide direct services and advocacy to impacted children, youth and families and potentially training and prevention programming.

Awarded

4. Career Technical Education (CTE) Revitalization Grant¹ – Lane Education Service District, \$219,568.00

This project enhances existing and grows additional Healthcare Career Pathways programs including growing the behavioral health component of CTE programs countywide.
