Subject: EmX

Good morning,

We wrote to the Eugene City Council members before they voted on the West 11th EmX proposal. Although we favor the 11th/13th route, we still support putting in the system for several reasons. We have lived off West 18th in the Churchill area for over 30 years and know the need for now and in the future. Please vote to let this go forward.

Diana and Mykel Grandberry
